

## **SUMMER HOLIDAY PROGRAMME 2022**

In addition to the planned programme we provide a range of play opportunities that includes construction play, role play, a drawing area, books, puzzles and board games, plus outside play with a range of equipment particularly for that purpose. Children are able to move freely from one activity to another.

On all coach trip days parents must ensure that children arrive into club before 9.00a.m and for other trips by 9.30a.m. You will be notified by a staff member if at any time there is a change to this arrangement.

There may be occasions when the programme has to change due to weather or other circumstances that are out of our control, but we will endeavour to keep you informed, and to give you as much notice as possible when this happens.

**School's Out For Summer**

## Our Daily Schedule

The Club opens at 8am, each day on arrival you must register; a desk for this purpose is available at the entrance to the club. Children are greeted by one of our friendly workers and shown where to put their coats and bags. For children visiting for the first time they will be paired up with a buddy for the day in order for them to feel welcomed.

Breakfast is served between 8 – 9am, with a choice of toast, cereal, fruit, yogurt, plus an additional item from the daily menu.

**On a day where the activities are club based** we have three breaks: a midmorning snack, lunch which children need to bring (no glass bottles please), and afternoon tea.

Special dietary requirements can be accommodated so make sure you let us know on your registration forms (please see menu).

**We are sorry but due to the large number of children attending the club with nut allergies, we ask that parents do not include nuts or products containing nuts in children's pack lunches.**

**On a day out children have to be registered by 9am** so we can ensure they get a full day of adventure. Safety is uppermost in our minds the following steps are taken at all times:

- All staff are qualified and experienced play workers who are trained in street and travel safety procedures
- We operate on a ratio's of staff to children in line with Ofsted requirement of 1 to 8
- Each child wears a bright SOC hat to identify them from a distance
- Before each journey children are reminded of our code of practice with regard to outings
- A first aid kit is taken on every trip and all staff are trained in first aid

**School's Out For Summer**

**At the end of the day** parents collect children from the registration desk before 6.30pm, if we are on a day out we endeavour to return on time. A late fine will be incurred for all children collected after 6.30pm.

**Please Note:**

The children have a fun filled and often energetic day, so it's very important that parents include a minimum of two drinks in pack lunches especially when we are on day trips. We request that drinks are not in cartons but in screw top plastic bottles (NO GLASS), as this allows children to take a drink as and when needed, rather than having to drink a whole carton at once.

Drinking water is available to children all day when we are based at the Centre.

If you would like to discuss in more detail any of these issues, please contact the Club Manager:

### **Dressing Your Children for the Holiday Club**

Please remember our programme includes a minimum of 2 trips each week therefore:

- Children need to be dressed in clothes that are comfortable and suitable for playing both inside and outdoors.
- They will need to wear footwear that is suitable for walking and physical activities. No Wellington boots please.
- A light coat / rain jacket just in case the weather changes

### **Day Trip to the Beach.**

- Children will need to bring a change of clothes that are suitable for playing on the beach.
- If children are going to paddle they must have something to change into, either shorts with a t-shirt or a bathing costume.
- A towel will also be required by all children whether they are going into the water or not, as this will be used to sit on at lunch-time and to help remove the sand from them when we are getting dressed to come home.
- They will need to wear footwear that is suitable for walking.
- A light coat / rain jacket just in case the weather changes.
